- Study Travel:** Extensive travel throughout North America, Europe, and portions of the Middle East to visit and observe churches, cathedrals, and religious facilities.
- Experience:** Cindy Evans Voorhees is an ordained Episcopal priest in the Diocese of Los Angeles, California. She has practiced commercial interior design since 1978 with the last seventeen years dedicated solely to church design. As a past Director of Design, Display and Construction Management for several major firms she has the organizational skills to assist churches in building projects. With a degree in fine art, her design accreditation and general contracting, Cindy Evans Voorhees has combined these talents with her theological background to offer a depth and breadth of experience in the design process. After designing over 150 churches, Cindy continues her ministry in creating meaningful sacred spaces of spiritual significance for the local and greater church community.
